by

Flower of Carmel Rosaries

Thank you for choosing Flower of Carmel Rosaries for your rosary bracelet! Designing your bracelet will be an interactive process until we have created the design that fulfills your wishes. Please fill in this form and return it to me, and I will send you initial pictures of the components and design of your rosary bracelet until you are satisfied. I will give you an estimate of the cost of your rosary as we go along. If you are unsure or the questions do not give you what you need, please write comments/ideas to give me guidance.

In order to get started designing your rosary, please answer the following questions:

Please tell me the nature of the rosary bracelet:

Ave beads (Hail Mary)

_____ a single type of Ave bead throughout or a mix of beads of the same type such as different-colored agates

Birthmonth or stone choice: _____

_____ a family rosary with different birthstones throughout

Please list the family members:

Name	relationship	birth month
------	--------------	-------------

Pater Bead (Our Father)

There is only one Pater bead on a rosary bracelet. A Pater is generally framed with tiny crystals or pearls. It may be a single bead or stone or it may be a composite Pater with several stones. This is one place where a rosary bracelet may be lengthened in a beautiful and organic way.

_____ single stone/crystal—specify: _____

-----specialty bead (lampwork, flowered tensha): _____

_____ two stones joined with a rhinestone rondelle;
specify which two persons from previous page or two beads

If accents beads other than tiny crystals or pearls are possible, what sort of accent would you prefer:

_____ bead cones _____ rose beads _____ cross beads
_____ silver disks with Celtic crosses _____ silver hearts with Celtic knots
_____ please suggest something for me!

Marian medal or Scapular medal

For the primary medal, usually a Marian or Scapular medal is used. The most common one is the Miraculous Medal, but any Marian medal or a Scapular is appropriate. If you have a preference, please indicate below:

_____ Miraculous Medal
_____ Scapular Medal (Sacred Heart of Jesus and Our Lady of Mt. Carmel)

_____ Our Lady of Perpetual Help _____ Our Lady of Guadalupe
_____ Our Lady of Lourdes _____ Our Lady of Fatima
_____ Our Lady of La Salette _____ The Sorrowful Mother

Second Devotional medal

A second medal is not required, but is always appropriate. Up to four medals total make a well-balanced bracelet. Some common devotions are:

_____ Holy Family _____ St. Joseph
_____ Blessed Sacrament or First Holy Communion
_____ Confirmation _____ Baptismal Patron: _____
_____ Confirmation Patron: _____

_____ St. Anne _____ St. Anthony _____ St. Jude
_____ St. Therese of Lisieux

Crucifix

Small 'bracelet' crucifixes are limited in style; please allow me to suggest one to complement your medal(s).

If you might be interested in a four-way cross medal or five-way cross medal (these are generally larger than a normal bracelet medal), please check below:

_____ please suggest a possible four-way or five way medal instead of/in addition to the medal(s) and/or crucifix.
